

Financial Tear Sheet

Corporate Profile

VASCO is a global leader in trusted security with two-factor authentication, transaction data signing, document e-signature and identity management solutions designed for all businesses and government agencies. VASCO also secures access to data and applications in the cloud and provides a robust toolset for application developers to easily integrate security functions into their web-based and mobile applications. More than 10,000 customers in 100 countries rely on VASCO to secure access, manage identities, verify transactions, simplify document signing and protect high value assets and systems.
